Hi Barb,

I just wanted to take the time to thank you for your session at this year's Caregiver Show on Friday May 4th, 2018.

We had record attendance this year and I'm sure our family caregiver attendees were grateful that you provided a session on Autism care and shared your expertise.

As always, we appreciate all our sponsors, exhibitors and speakers who help make this a very special event.

Wishing you a wonderful year and our thanks once again.
